## Information about the change of the company's name

Dear Sir or Madam,

Please be informed that from 17<sup>th</sup> August 2020 we return to the original name of our company – **Castolin Sp. z o.o.** The name change results from separation of the operation of Messer Cutting from the structures of Castolin Eutectic and acquisition of shares of the CASTOLIN Group by PARAGON PARTNERS GmbH with its registered office in Munich.

Apart from the company name change, the company NIP and REGON numbers, bank account numbers, telephone numbers and postal address remain the same. We also ask for making necessary corrections in all registers, records and new documents generated for Castolin Sp. z o.o. At the same time, we wish to inform you that, in accordance with the applicable law, the company name change has no effect on the validity of the agreements previously concluded and annexing them is not required.

The changes will not have any influence on the management of the relationships with clients and company suppliers. Our clients and suppliers will still be serviced by the same contact persons.
